

Premium Recruiting Packages

A service plan that can hire high salary or large number of employees at low cost. No upfront costs. No charge for recruitment service. Pay only after the interview.

You will be able to recruit many employees under the job title you want. There is no limit to the number of employees that can be hired. This package is best suited for those who want to recruit a high salary or a large number of employees. There is no upfront service fee for this package. Payment can be made only after the interview. If you hire an employee, you do not have to pay a service fee again. Your job announcements will be advertised for free on our VAC Jobsearch website and social media pages. We will select the suitable CV from the submitted CVs and send it to you for free.
